International Conference on Computing System an Telematics (ICCSAT) 2024

The Faculty of Accounting and Administration at Universidad Veracruzana proudly announces the call for papers for the International Conference on Computing System an Telematics (ICCSAT) 2024 (Formerly known as CONSCA by its Spanish acronym), in celebration of the 30th anniversary of the founding of the Degree in Administrative Computer Systems. This event aims to bring together academics, researchers, and professionals to discuss the latest advancements and challenges in the field of administrative computational systems.

The conference will serve as a platform for researchers, scholars, and industry professionals to present and discuss cutting-edge advancements, innovations, and challenges in the field of Administrative Computational Systems. This year's theme, "Innovation and Digital Transformation in Business Management: Perspectives from the Last 30 Years and Future Challenges" reflects the rich history and

Important dates

- **Paper Submission Deadline: June 15, 2024**
- **Notification of Acceptance: July 15, 2024**
- **Full Paper Submission Deadline: August 1, 2024**
- **Conference Dates: September 18-20, 2024**

Venue

The conference will convene in the heart of Xalapa, a city known as the 'Athens of Veracruz' for its vibrant cultural life. Renowned for its culture, musical, artistic fervor, and delectable culinary scene, Xalapa presents an unmatched ambiance that will not only serve as a backdrop for academic dialogue but also stimulate and delight the senses of all participants.

Organizing Committee

For detailed information, submission guidelines, and registration, please visit <http://www.iccsat.org>

We eagerly anticipate your valuable contributions and look forward to welcoming you to Xalapa for this momentous occasion.

Best Regards,
Technical Program Committee

Conference topics

Papers are invited in, but not limited to, the following areas:

1. Cutting-Edge Technologies and Innovations

- Emerging Technologies in Administration
- Digital Transformation

2. Data Governance and Systems Management

- Data Management and Analytics
- IT Governance and Compliance

3. Digital Innovation and Cybersecurity

- Artificial Intelligence in Administration
- Cybersecurity in Administrative Systems
- Innovations in E-Government and E-Business
- Internet of Things
- Digital Marketing

4. Technology in Education and Societal Impact

- Human-Computer Interaction
- ICT and Educational Innovation

5. Sustainable Technologies and Environmental Impact

- Cloud Computing
- Green Computing

Paper Submission Instructions

Submissions should be in English and conform to the IEEE's formatting standards. Authors are required to use the IEEE's conference paper template for their submissions. Each paper will undergo a peer-review process, and those presented at the conference will be considered for inclusion in IEEE Xplore, subject to a quality assessment. For detailed instructions on formatting and submission requirements, please refer to <http://www.iccsat.org>
